

## YOUR WEDDING AT HAWKSMOOR HOUSE

---

At Hawksmoor House, we're passionate about hosting exclusive weddings and are delighted that you are considering us for your celebration. If you're looking for a scenic, historic, authentic Cape Dutch farm atmosphere, you've found the right place.

We can host up to 150 guests, and accommodate up to 30 guests sharing. There are several beautiful locations on the property to hold your ceremony and/or reception. Our accommodation comprises 15 enchanting guest rooms in four adjacent buildings set around a central pool, ornamental pond and garden. The grounds are laid out to include a large lawn, reflection pond, lavender beds, vegetable, rose and herb gardens, a wine tasting room, and a swimming pool with a view of Table Mountain.

The four accommodation buildings each offer a different perspective on the landscape and farm. The Manor House, The Slave Quarters, the Dairy Rooms and Edge house are all original footprints of the historic farm, converted with great sympathy and flair by the owners, and furnished with an elegant mix of beautiful antique pieces. Each room is individually decorated. No matter which room you stay in, the experience is consistently elegant and the hospitality warm and relaxed. . Our packages are organized according to the number of rooms booked. If you'd like to discuss further details, or schedule a consultation at the venue, feel free to contact us. We'll open a bottle of Hawksmoor wine and let you soak up the atmosphere of our special place while we answer any questions you may have.
